Minnie Mouse

**nibble nibble...
tasty spark plugs!**

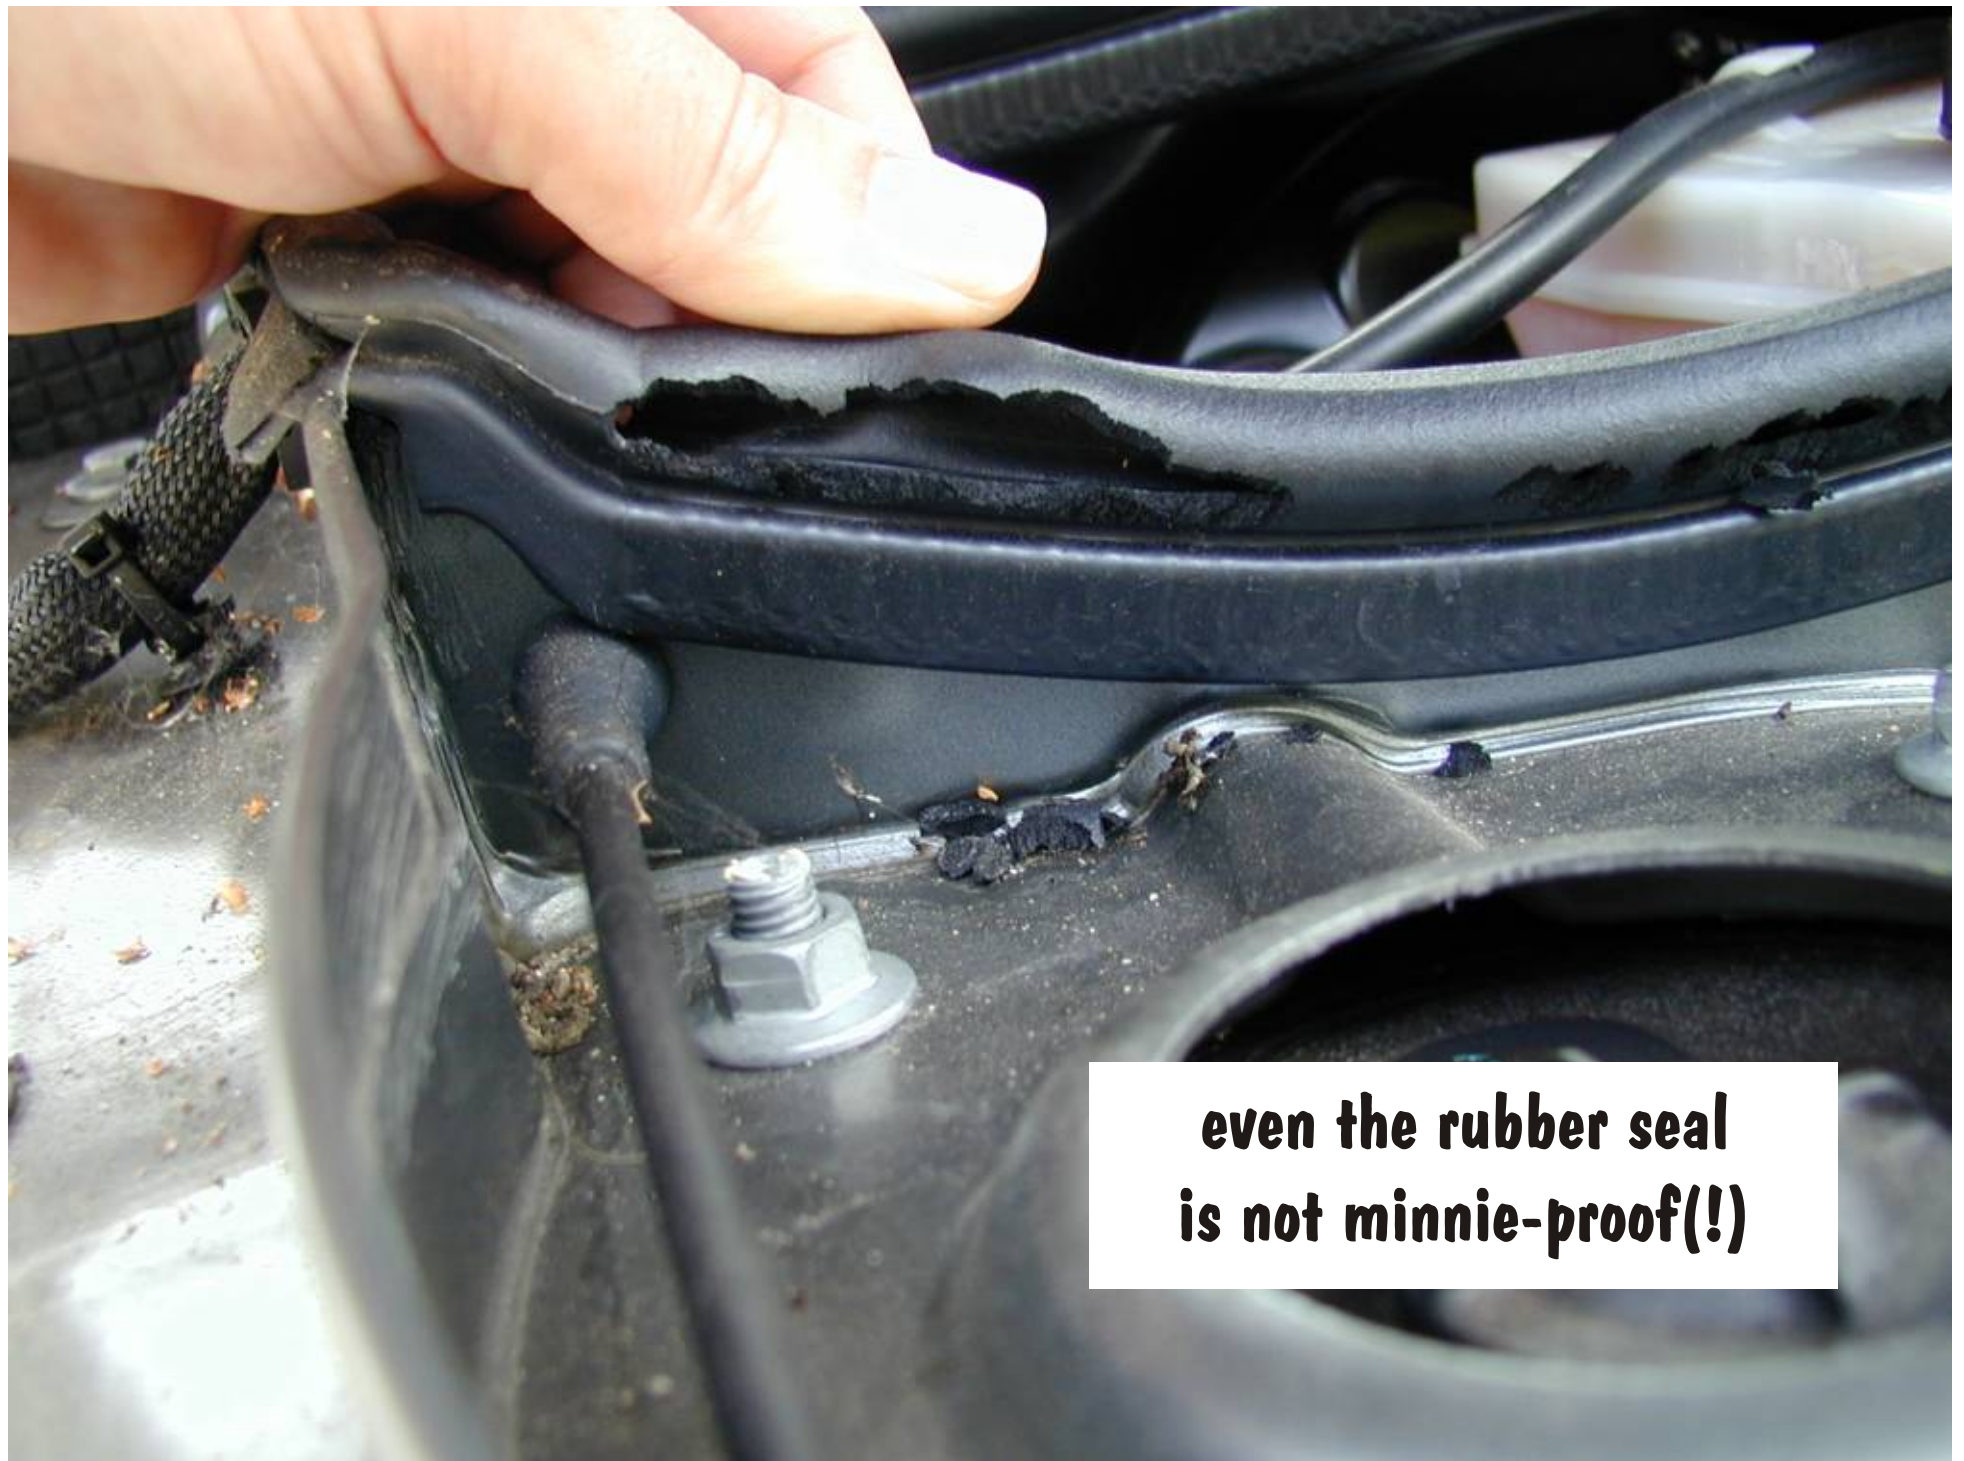

**not as tasty as
underbonnet insulation!**

**mmmm....
she loves a bit of it!**

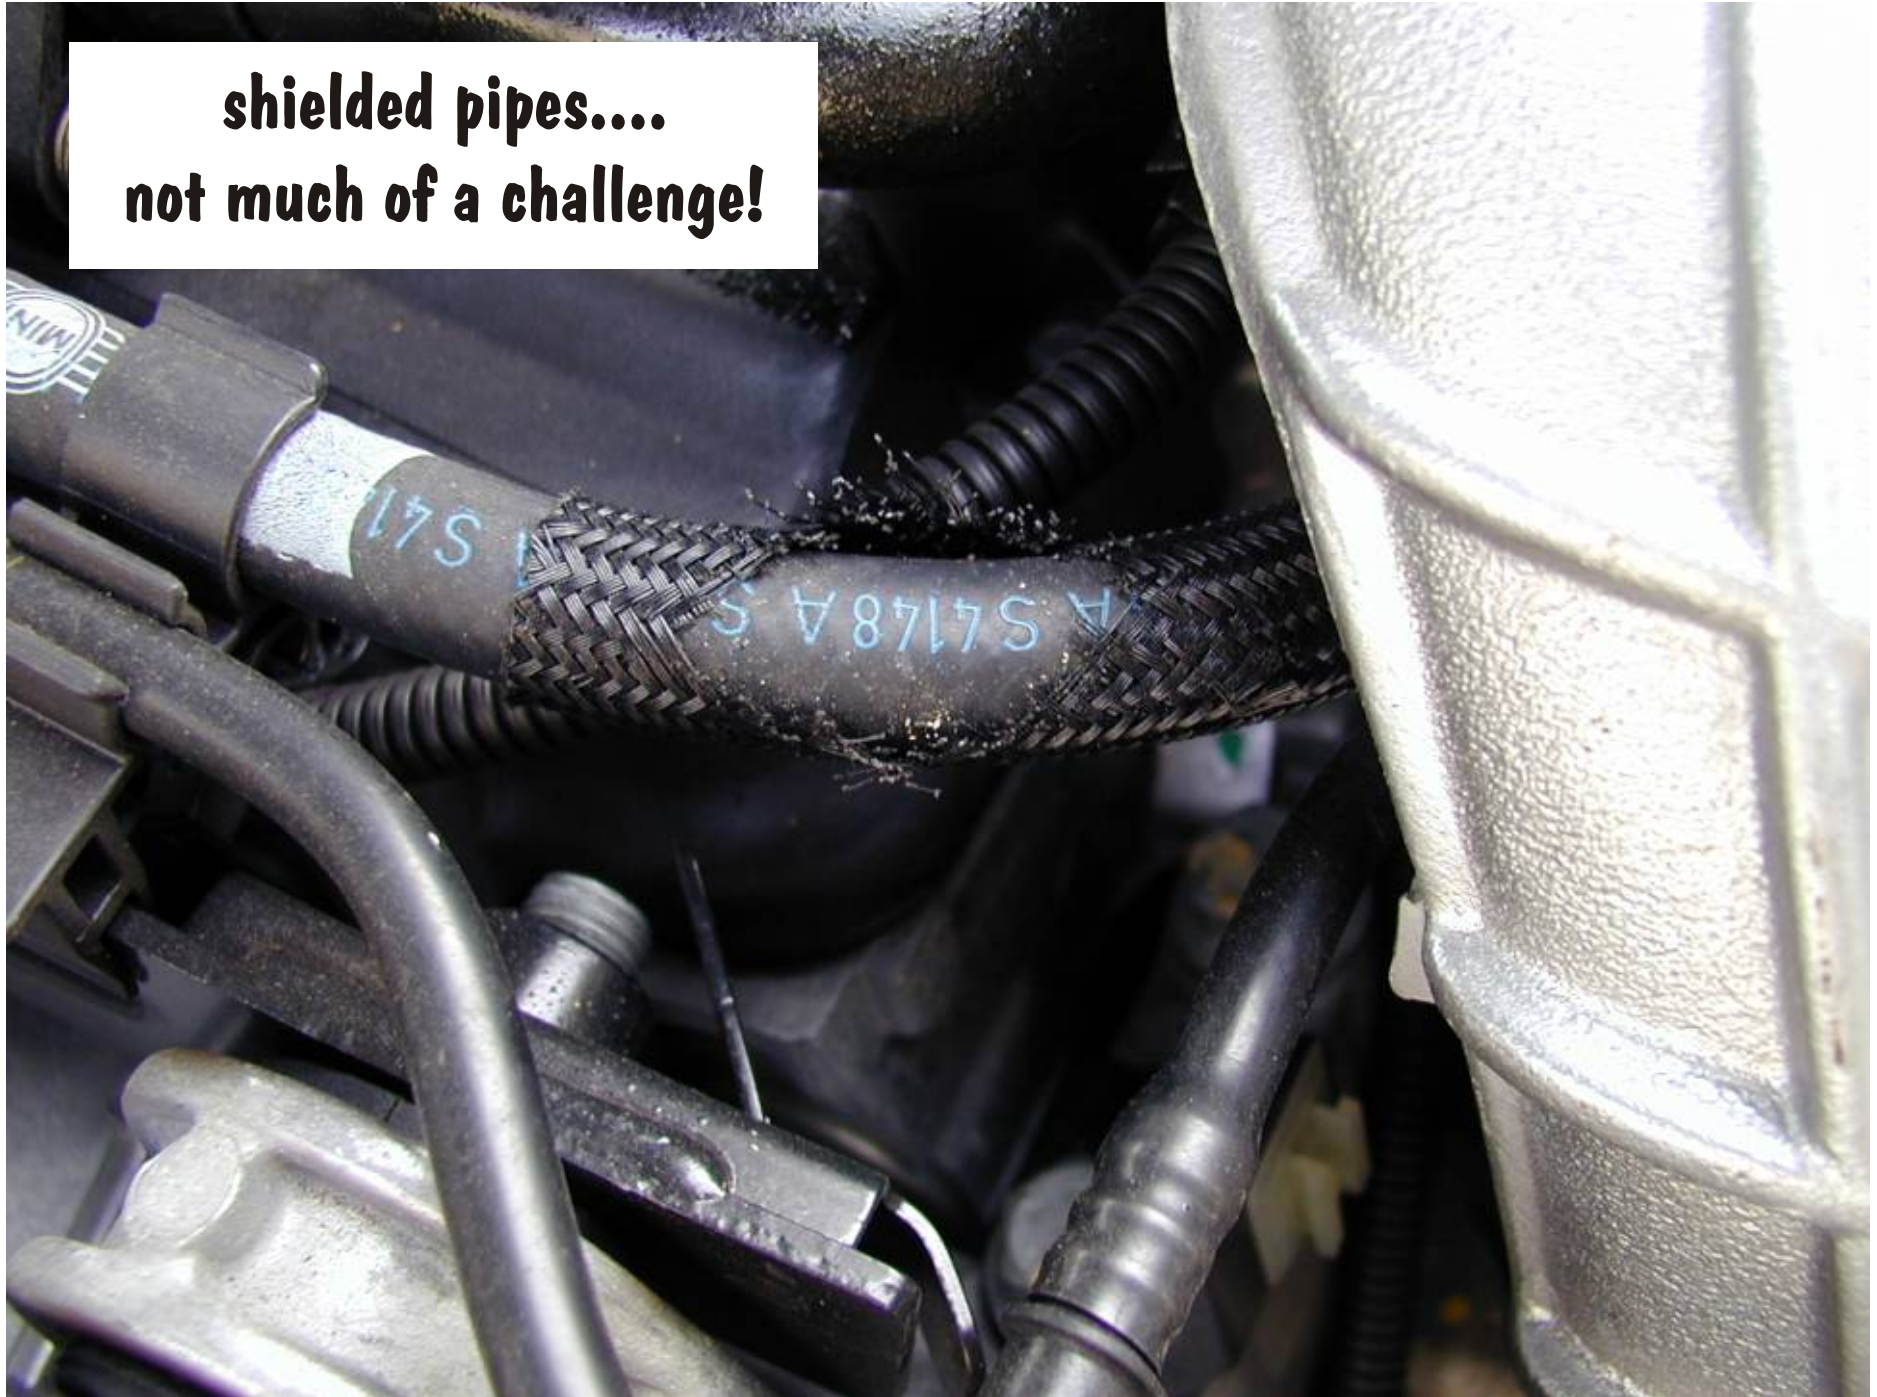

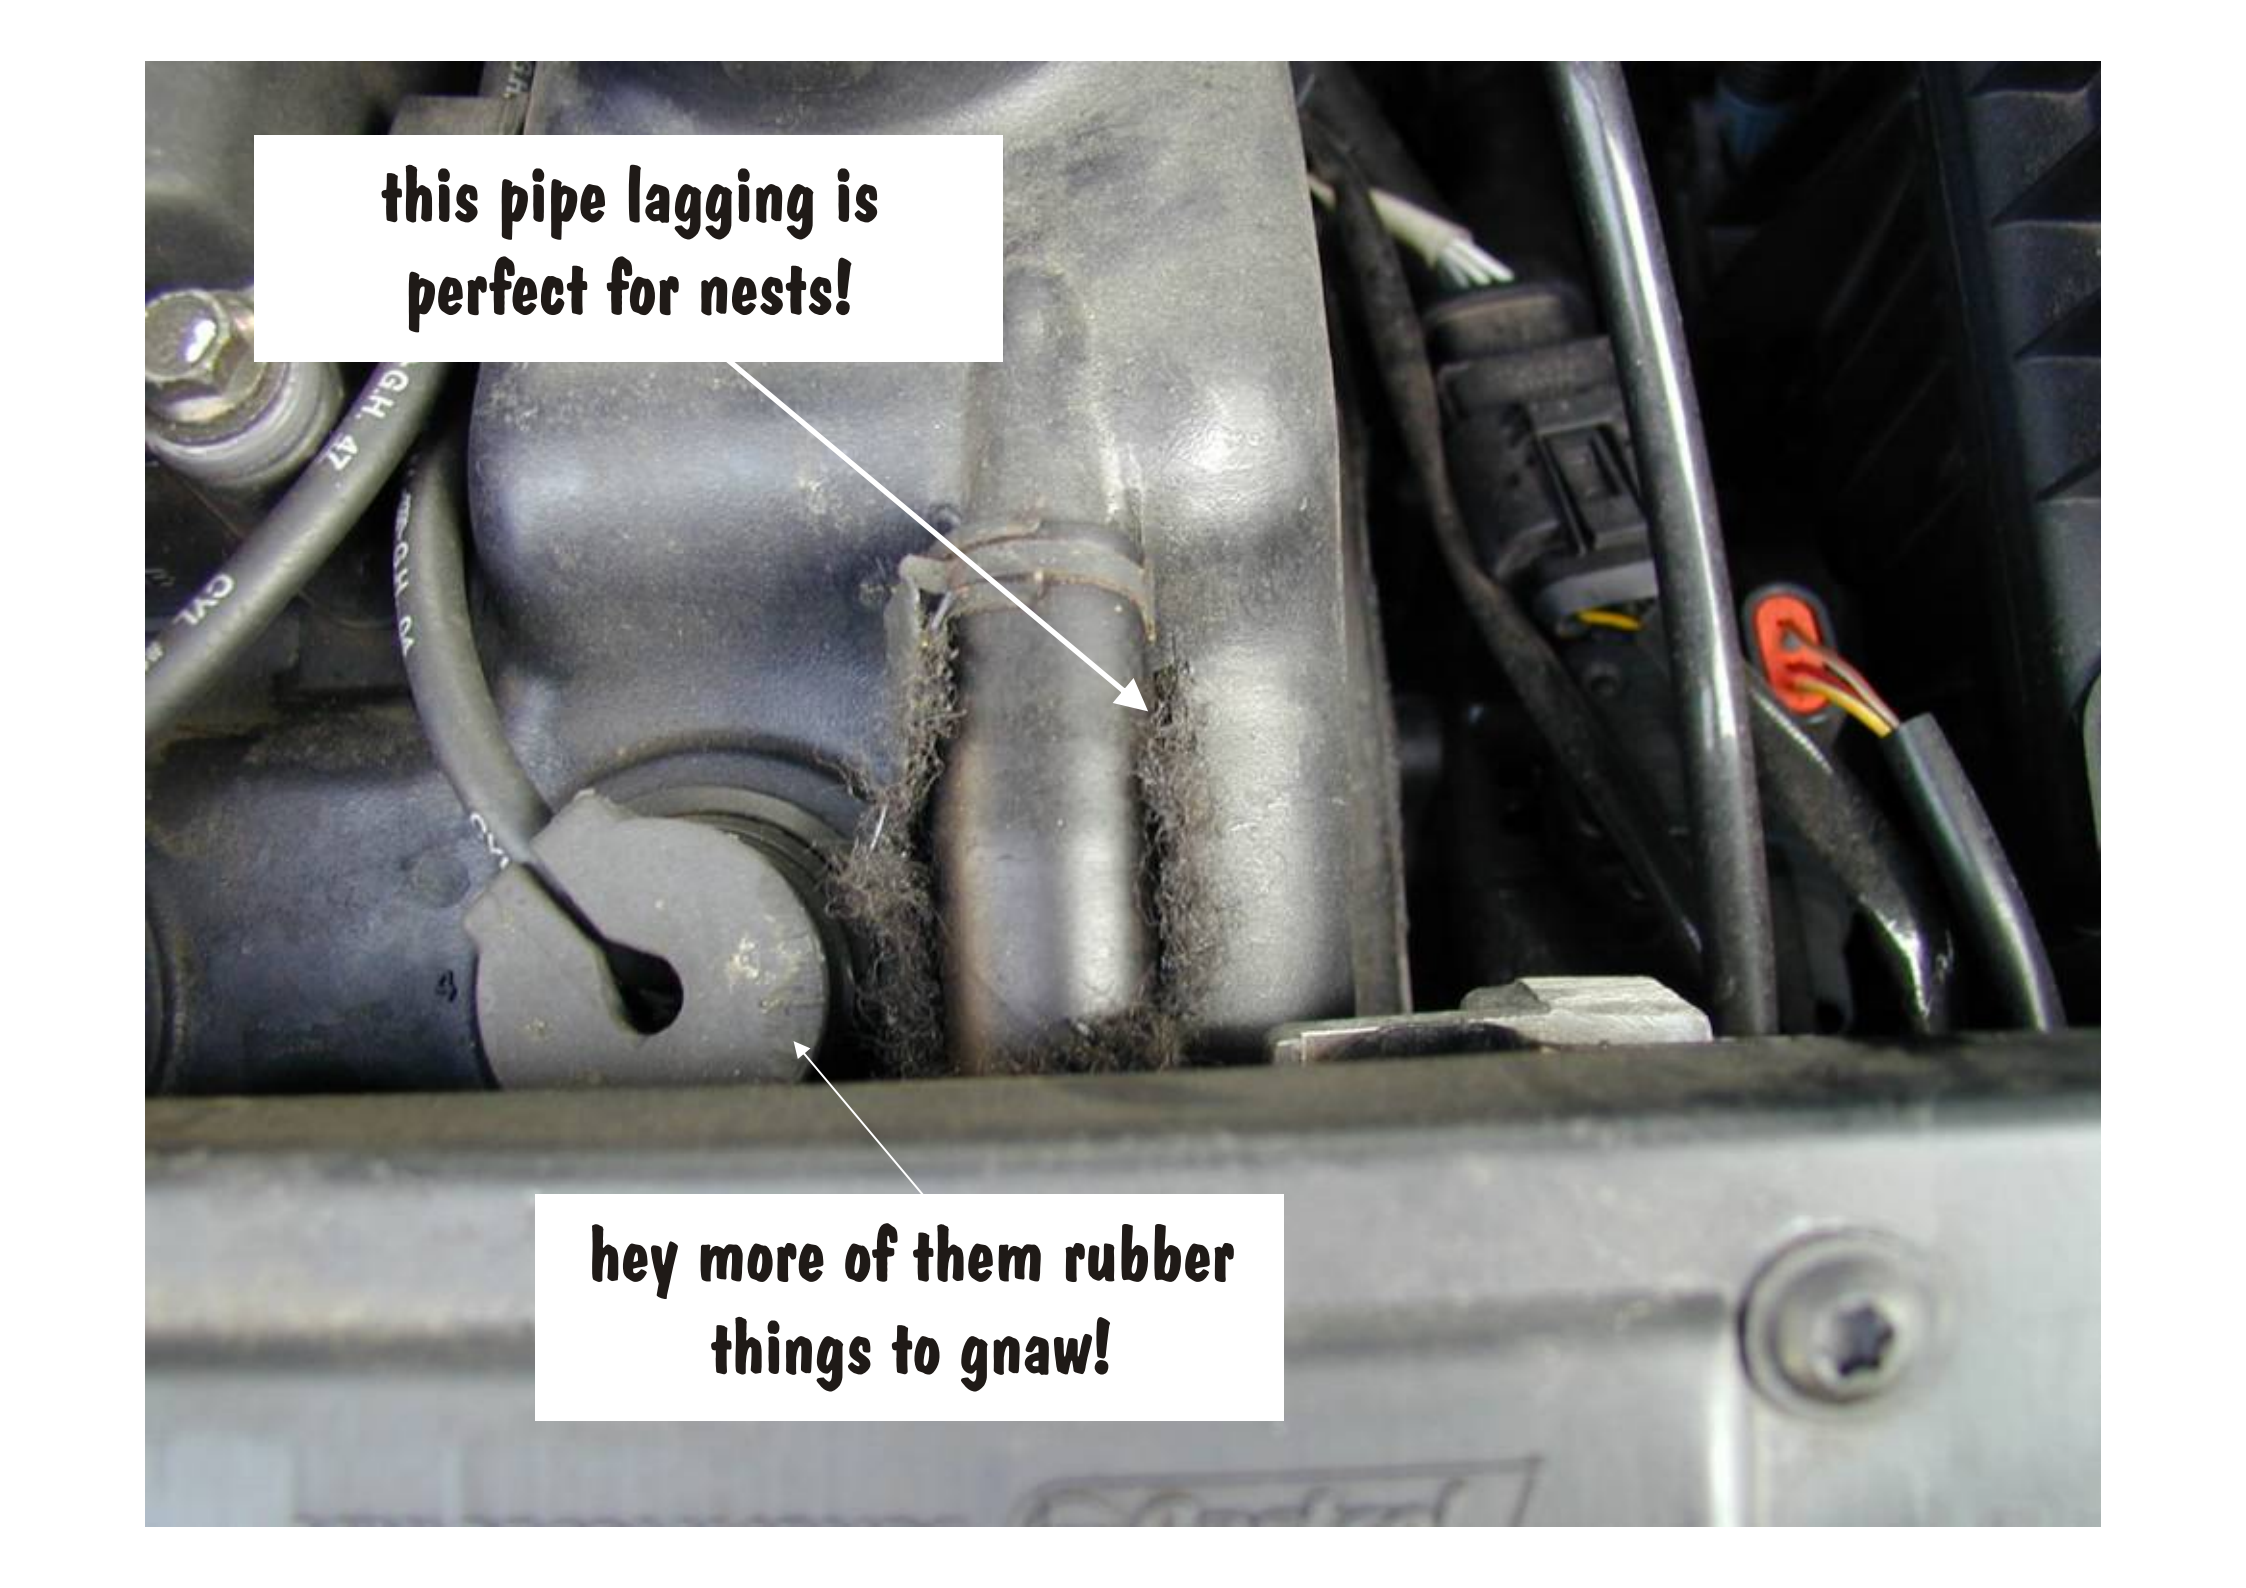

**even the rubber seal
is not minnie-proof(!)**

**at least she left the top
so it still seals!!**

**shielded pipes....
not much of a challenge!**

**this pipe lagging is
perfect for nests!**

**hey more of them rubber
things to gnaw!**
